**Animal ID / Source (SV), Age (AV) / Certified 'Natural'**

Are your calves/feeder cattle home raised?  YES  NO If yes, your calves/feeders most likely qualify for SV & AV verification.

Is your ranch already supplier qualified for SV & AV?  YES  NO

If no, Five Star can assist with your qualification/verification needs.

Are you interested in animal identification via electronic tags (RFID)  YES

NO If yes, you can obtain RFID tags from Five Star.

Are you producing 'Natural' calves / feeder cattle?  YES  NO

If yes, Five Star may have additional marketing options for your consideration. If you are interested in producing 'Natural' calves/ feeder cattle, Five Star can be a reliable source of information on what it takes to meet 'Natural' requirements for several 'Natural' Branded Programs.

The information you supply to us will be held in the strictest confidence. It will be used by Five Star Cattle Systems for genetic reference and to enhance your marketing opportunities.
